

SouthCoast Children's Theatre Annual Appeal

SouthCoast Children's Theatre, Inc. is a non-profit theatre company offering children in grades one through eight the opportunity to perform in age appropriate theatre. There is no charge to participate and we are fully run by volunteers. Ticket sales cover only a small portion of our operating budget which includes costumes, sets, props, theatre rental and more. We want to continue to make our shows affordable for the community. Therefore, we need your help!

There are many levels of support to fit your budget, and your contribution will not go unnoticed.

Individual Sponsorships

Friend (\$25)
